LTSS TRAINING TODAY

MAY 2022

What is PERLSS?

Pre-Admission Evaluations and Referrals for Long-Term Services and Supports (PERLSS) is a modern, cloud-hosted solution that will fully replace and expand the functionality of the TennCare Pre-Admission Evaluation System (TPAES).

Important Updates

Please be on the look out for an **important memo** which highlights key dates for access, training and go live

PERLSS Key Features

- All programs will be integrated into one system with specific application flows and streamlined workflows.

- Referrals, PAEs, Transitions, Notices, Appeals, Tasks, and Documents will be viewable at anytime.

- Integration with TEDS, MMIS, and MDM will automatically update level of care, Medicaid eligibility and enrollment details.

- System driven Tasks, Notifications, and Dashboard reporting will reduce the need for partner emails.

PERLSS Impacts

The following programs will be impacted by the PERLSS system implementation:

- CHOICES
- Employment and Community First (ECF) CHOICES
- Intermediate Care Facilities (ICF/IID)
- Program for All– Inclusive Care for the Elderly (PACE)
- Comprehensive Aggregate Cap (CAC) Waiver
- Katie Beckett (KB)
